## EDITOR'S NOTE

Well busy times again as our club members start returning from far off places and for those on the festival and music circuit as they start their practices for the year ahead. For me it is the usual race to get the newsletter out on time and fit in those hundred and one things that need doing. Redlands festival will be held in May again this year so if you would like to be part of the committee come along to our meeting which is to be held on the 3<sup>rd</sup> March. Remember many hands make for lighter work. We look forward to seeing you there. ## THE PRESIDENT'S MESSAGE

G'day,

I would like to take this opportunity to again thank Ellen Lowther and her team from Blue Denim Country Music Club for performing as our guest artists at the January social. A number of Redlands members have been invited to Blue Denim as guest artists in recent years, and in fact our club were the guest artists there in June last year. It was pleasing for us to be able to reciprocate by having them as our guests in January. The Blue Denim club has no doubt been re-vitalised under

Ellen's leadership and musical direction which is a great credit to her.

While on the subject, last year we also provided guest performances at the Smokehouse Club – Tweed Heads in June and West Moreton Club – Ipswich in September, and Redlands has been invited to perform as guest artists at Twin Rivers at some time during 2015. The Twin Rivers club is located just down the road at the Oliver Sporting Complex in Logan St, Eagleby. More details will be made available once a date has been set.

What a way to kick off the New Year! It really was all hands on deck at the January social with quite a few of our regular volunteers away on Christmas Holidays. Despite the decidedly humid weather, the night was a pleasant success and we were well prepared for the absences and able to manage thanks to the preparations by the Food Committee. Loretta did a fine job of coordinating the catering in Debbie's absence. Despite Lex being away, the sound on the night was up to the usual high standard thanks to Steve and Des. About the only thing that was difficult was when we tried to coordinate a schedule for the walk-up artists. We had no problem with the numbers, there were plenty of names on the list, but every time I tried to put together an order, I was confronted with our artists busily working away in other areas: Allen was cooking chips, Pat was taking meal orders, Garth and Col were both on the BBQ with Rowena serving, Steve and Des were on the mixing desk, Karen was behind the bar and Lorraine Boughen was on the door. Somehow we managed.

Responses to the Bluegrass Survey have been collated and will be distributed to members, along with a summary report, shortly. We managed a healthy participation rate for responses and there appears to be a genuine desire by the members to continue to showcase the Bluegrass genre via an event at the club level.

One subject I didn't get around to mentioning in my January message was our New Year's Eve celebrations at the club. Thanks particularly to Steve & Karen Wootton and Bill & Dawn Healey, a good number of us spent an extremely hot and humid evening singing along to karaoke from Bill's ever increasing collection. It was a very enjoyable night; so much so that the party continued on well past midnight and Vonnie's voice could still be heard echoing through Pinklands Reserve at around 3.00 am. I'm just thankful that Dehlia decided early on

that she wouldn't be doing much singing on the night; otherwise we could have been still going at lunchtime Friday.

As we head into 2015 and world events indicate that the world is just as troubled as it was last year, I'm reminded of one of my favourite quotes from "Guru Bob" (aka Greg Champion) and that is: *Before you criticise someone, walk a mile in their shoes. That way, when you criticise them, they're a mile away, and you've got their shoes.*

I take much pleasure in welcoming Michelle Douglass as a new member to the club this month.

There were no new membership applications tabled for consideration at the January committee meeting.

A reminder that we do distribute key communications through email channels so if you want to be added to the email distribution list send your email address to Club Secretary Dehlia Brown at email address – [secretaryrmcmc@gmail.com](mailto:secretaryrmcmc@gmail.com)

## INFORMATION FOR WALK UP ARTISTS

All walk-up artists should report to the MC as soon as possible after arriving. The Social's Program Committee organise the evening's program (i.e. the time in which you appear on stage) from the list of names provided to them by the MC. If you arrive after 5pm please immediately report to the MC. The Social's Program Committee will do their best to slot you into the program, but with limited time available it is not always possible to accommodate everyone.

Please refer to the white board (left of the stage) which will display the order in which walk-up artists appear.

Each artist may perform two songs, with no encores, three songs for duets, or a total of 15 minutes for bands. Please advise the stage hands if you require backing. Chord charts for backing musicians are always helpful and preferable.

There is a room behind stage for your preparation. You must be report to the stage hands and be ready and waiting back stage at least 10 minutes before your performance. Please ensure instruments are tuned before going on stage.

Enjoy your performance and we hope to see you join us again soon.

Our congratulations goes out to Manfred Vijars. His album title Bargo Bargo produced by Pixie Jenkins recently won the 2015 Australian Bush Laureate Award for album of the year.

## IF MY BODY WAS A CAR

If my body was a car, this is the time I would be thinking about trading it in for a newer model. I've got bumps and dents and scratches in my finish and my paint job is getting a little dull...

But that's not the worst of it.

My headlights are out of focus..... And it's especially hard to see things up close.

My traction is not as graceful as it once was. I slip and slide and skid and bump into things even in the best of weather.

My whitewalls are stained with varicose veins.

It takes me hours to reach my maximum speed. My fuel rate burns inefficiently.

But here's the worst of it.....

Almost every time I sneeze, cough or sputter,

Either My Radiator Leaks or My Exhaust Backfires!

## THIS MONTH'S GUEST ARTIST

### Kevin and the Coffee Cups

A long association of two duos whose common interest in the Redlands Modern Country Music Club and a complementary love of music led to the formation of "Kevin and the Coffee Cups".

In 2006 Kevin and Dehlia won the South Australian Country Music Festival Award for Duos and also placed third in the song-writing category for their original composition "Nothing Changes". The

couple perform regularly throughout S.E. Qld and Northern NSW. They have performed in Victoria and South Australia and have been regular visitors to the Tamworth Country Music festival. They have recently returned from performing as guest artists at the "Down under Country" festival in WA.

Hans and Rowena came to the music scene later in life and share a love of an eclectic mix of Americana/country music. They have performed at festivals and Country Clubs around Brisbane and NSW for the past four years as well as regular appearances at the RMCMC. Together "Kevin and the Coffee Cups" sing sweet harmonies. Their repertoire boasts a mix of ballads, toe tappers and dance songs from the '50's to the present day.

**So sit back and enjoy tonight's guest artist as we give a warm RMCMC welcome to Kevin and the Coffee Cups.**

## ATTENDANCE INFORMATION

Our monthly socials are normally very well attended and provide a pleasant night of entertainment each month for a minimal fee. Member rates apply to current RMCMC financial members - \$4 members and \$5 non-members. Members may be required to have their membership status validated by presentation of their membership card or by reference to a membership register. Raffle tickets can be purchased at the entry table. Don't miss out on your chance to win some great prizes. See Gwenda or Lorraine.

## SHORT ON CHANGE

We would like to request that our members and guest assist us by limiting the use of \$50.00 notes at social. As a small but growing club we can only carry a limited amount of currency which makes it difficult to change larger notes. We thank you for your support with this.

**HELP NEEDED PLEASE**

**To help pack up after social.**

**Its hard for a few to race around when many hands make for light work.**

## AUGUST SOCIAL ROUNDUP

As Chicken Little used to say "The sky is falling!" This common idiom suggesting that a hysterical or mistaken belief that disaster is imminent came to mind at the Friday night practice prior to the January social. I'll tell you why. Because Allen Mac played two, yes 2, rock and roll songs, both Chuck Berry originals – No Particular Place to Go and You Never Can Tell. Just to show you really never can tell he sang the latter number again on social night. I am still undertaking confusion therapy.

Anyway, Saturday evening started with a hot, hot sunset followed by a refreshing cool breeze and a flood of artists from the Clontarf Club 'Blue Denim' who were our guests for the evenings guest spot. As well as visitors from Clontarf we welcomed some from Forest Lake, Tallangatta Victoria, Zillmere, Pimpama, and from around the Redlands – Lorraine, Lorraine and Gwenda never fail with their smiles and words of welcome to all at the front table; they do a great job. Musically, the night kicked off with Gary C with his own 'Snake Bite Cure' and was quickly followed by the singing drummer Michael with Country Honk and One too many mornings. The two Dennis's followed in rapid succession and were followed by Rob, Peter, Steve and Karen and Alick who led us through the early part of the evening with some entertaining numbers. Club members were very happy to see and hear Kiara Rodrigues taking time out from her medical studies to entertain us with her beautiful voice including favourites Coat of many colours, I can't stop loving you, and Your cheatin' heart. Kiara was followed by Noel and John with: Don't let your babies grow up to be cowboys, Mallee Boy and Papa Whiskey November.

Vonnie graced the stage followed by Col who got the conga line rolling (not a very long one but a very enthusiastic one) and the Indians whooping with Running Bear. Pat broke her New Year's resolution about no longer singing sad songs with Cry myself to sleep - tsk tsk Pat and it was only day 3. Still, there may be time for redemption through the rest of the year. Threatening to sack the President so early in his tenure for playing up was a tad risky – we love ya Pat. Garth gave us some numbers from his new CD before heading off to Tamworth for his guest spots and we wish him well. Lorraine and Des mixed it up with some Hank Williams and Waylon Jennings. Allen Mac took us to supper with a variety of numbers, including one of the aforementioned rockers.

Following the supper break, thanks to those who contribute and to Loretta and her helpers who organised the supper - great job ladies, members of the Blue Denim Club entertained us with selections from Julie, a Champ of Champs winner, Gwen, Mike, Kim, Judy, David and Julie. Songs included: When the roses bloom again, Sentimental Journey, Don't close your eyes, Love me a little bit longer, Blanket on the Ground and the Kentucky Waltz, to name but a few. It was a pleasure to offer our hospitality in return.

Dancing seemed to be on people's minds this social with Vonnie, Gwenda and Mary Kelly strutting their stuff – great moves. Later Vonnie and Col showed the finer side of the waltz. Unfortunately we had to leave before we heard from Kevin and Dehlia, Hans and Rowena and Bill Walsh. I am sure they all gave a fantastic performance to end the evening. As always thanks to the crew who set up and those who stay behind to put away everything – it all makes the social a friendly and happy event..... Words Michael Sheehan/Photos Rosie Sheehan.
