

RMCMC Policy - Animals & Pets at Clubhouse Events 12 February 2019

Pets are not permitted within the RMCMC club precinct at times when an RMCMC ratified event is being held. This applies regardless of whether a pet is on a leash or in a portable pet container.

This policy includes but is not limited to:

- Monthly Socials
- Practice sessions
- Music Festival

The Club however recognizes and complies with any legal requirements and permits essential animals to accompany individuals to these events, for example, Guide Dogs for the Visually Impaired and Registered Assistance Dogs.
